

Free TIFireE workshop

Interested in learning more about IFE Technician membership?

Do you have two or more years' experience in a fire related role? Perhaps you have gained a level 3 apprenticeship, or you have a level 3 qualification in a fire related subject?

If this is you, you could be eligible for Technician membership with the IFE which carries a whole range of benefits for you and your career.

Join us at our virtual workshop to discover more and hear useful guidance about the application process. Our friendly member services team will also be on hand to answer any of your queries.
