

Aon working with the Fire Industry Association

Aon are pleased to be working with the FIA, following the acquisition of Henderson Insurance Brokers.

Aon plc is a leading global professional services firm providing a broad range of risk, retirement and health solutions. Our 50,000 colleagues in 120 countries empower results for clients by using proprietary data and analytics to deliver insights that reduce volatility and improve performance.

FIA Members Insurance Scheme

We provide an exclusive insurance scheme which is only available to members of the FIA. As part of this scheme Insurers recognise that as members of the Association you have taken extra steps to obtain accreditation in your industry.

Claims Promise

You can be confident that should you have a claim, we have the experience and knowledge to help you when it matters most.

Claim Example Scenarios

Fire Scenario

You have designed and installed a fire protection system for a commercial business, however, unfortunately a few weeks later the premises catch fire and burn to the ground. The system you designed / installed failed to operate.

Security Scenario

A security system that you designed and installed for a commercial business unfortunately failed to operate following a security breach at the premises.

When it comes to the Fire Protection or the Security market, Insurers and brokers often fail to understand the true requirements of their clients.

Aon will work with you to understand your business towards ensuring that the insurance cover arranged is fit for purpose and includes key covers including Efficacy insurance, cover that kicks in should a contractor be responsible for damaging the business.
